**DOMESTIC SECTION 214 APPLICATION FILED FOR CONSENT TO TRANSFER
CONTROL OF LOCAL EXCHANGE ASSETS FROM CITIZENS
TELECOMMUNICATIONS COMPANY OF NORTH DAKOTA TO RED RIVER
TELECOM, INC.**

STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket No. 02-193

On June 17, 2002, Citizens Telecommunications Company of North Dakota ("Citizens-ND") and Red River Telecom, Inc. ("Red River") (collectively, the Petitioners), filed an application pursuant to section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214 (the "Act") for approval to transfer control of Citizens-ND's Wyndmere and Fairmount, North Dakota exchanges to Red River.

Applicants assert that this application is subject to streamlined processing under section 63.03(b)(1)(iii) of the Commission's rules because the proposed transaction involves only the transfer of the local exchange assets of an incumbent LEC by means other than an acquisition of corporate control.¹

Citizens-ND is a Delaware corporation. Citizens-ND is a wholly owned subsidiary of Citizens Communications Company, a Delaware corporation having its principal place of business at 3 High Ridge Park, Stamford, CT 06095. Citizens Communications Company is a publicly traded corporation in which no individual or entity owns an equity interest of ten percent or more.

Red River is a North Dakota corporation. Red River is a wholly owned subsidiary of Red River Rural Telephone Association, a cooperative association operating under the laws of Minnesota. Red River Rural Telephone Association is a member owned association. No member owns an interest of ten percent or more in Red River Rural Telephone Association.

¹ 47 C.F.R. section 63.03(b)(1)(iii).

Citizens-ND is in the process of selling five of the eight exchanges it owns in North Dakota. Two of those exchanges, Gwinner and Lisbon, are being sold to Dickey Rural Access, Inc., one exchange, Pembina, North Dakota, is being sold to Polar Telecommunications, Inc.; and two exchanges, Wyndmere and Fairmount, North Dakota, are being sold to Red River. Applicants assert that these five exchanges are being sold because they can be operated more efficiently by other incumbent LECs already operating in close proximity. Upon consummation of the three transactions, Citizens-ND will continue to operate three exchanges in North Dakota – Williston, Alexander and Watford City.

In this particular transaction, Citizens-ND is selling two exchanges, Wyndmere and Fairmount, to Red River. This transaction includes all assets, except those specifically excluded by the Purchase and Sale Agreement between the parties associated with those exchanges. Upon consummation of this transaction, Red River will become an incumbent LEC in the Wyndmere and Fairmount, North Dakota exchange areas.²

Red River is a North Dakota incumbent LEC that presently serves two exchanges with approximately 1,745 access lines within the Red River Rural Telephone Association North Dakota study area. According to Applicants, Red River Rural Telephone Association presently serves four exchanges in North Dakota and three exchanges in Minnesota in its North Dakota study area.

The Wyndmere and Fairmount exchanges are located in Southeastern North Dakota, a very rural, sparsely populated farming area. The Wyndmere exchange serves approximately 649 access lines and the Fairmount exchange serves approximately 379 access lines. The two exchanges serve portions of Richland County, North Dakota, a county with a population of 17,998. The major towns and their populations served by the two exchanges are Fairmount, with a population of 427 and Wyndmere City, with a population of 533.

Citizens-ND, an incumbent LEC, provides a full range of residential and business local exchange, switched and special access, custom calling, and information services in the two exchanges that are being sold to Red River. Red River will provide comparable services when it takes ownership of the Wyndmere and Fairmount exchange areas, both of which will be operated as part of the Red River Telephone Association family of rural incumbent LECs.

Citizens-ND states that it acquired the North Dakota exchanges described above from Qwest on October 30, 2000. The North Dakota acquisitions were part of a larger series of transactions in which the Citizens Communications Companies were acquiring rural local exchange operations from Qwest throughout the western states. The North Dakota transaction involved small “islands” of exchanges in the state as part of a much larger series of transactions that would allow the Citizens Communications Companies to create cohesive and viable regional

² On April 5, 2002, Citizens-ND and Red River filed a joint petition seeking “study area waivers” pursuant to sections 61.41(c)-(d), 69.3(e)(11) and 69.605(c) of the Commission’s Rules.

operations in the West. However, Citizens-ND states that the larger series of transactions was ultimately aborted, thereby making it extremely difficult to achieve regionalized economies of scale with the five small North Dakota exchange areas that Citizens-North Dakota has contracted to sell.

Insofar as the Fairmount and Wyndmere exchanges are concerned, Applicants state that Red River and its affiliates are established, incumbent LECs already operating in adjacent exchange areas. Applicants further assert that The Red River Rural Telephone Association family of companies is geographically and operationally situated to operate these small exchanges in a highly efficient manner as a natural extension of their existing operations, and that the two exchanges will become an integral part of the operations of an experienced "North Dakota" carrier. Accordingly, Applicants assert that the public convenience and necessity will be served by a grant of this application.

GENERAL INFORMATION

The transfer of control application identified herein has been found, upon initial review, to be acceptable for filing as a streamlined application. The Commission reserves the right to return any transfer of control application if, upon further examination, it is determined to be defective and not in conformance with the Commission's rules and policies. Interested parties may file **comments within 14 days and reply comments within 21 days** of this notice.³ Unless otherwise notified by the Commission, an applicant is permitted to transfer control of the domestic lines or authorization to operate on the 31st day after the date of this notice. Comments may be filed using the Commission's Electronic Comment Filing System (ECFS) or by filing paper copies. *See Electronic Filing of Documents in Rulemaking Proceedings*, 63 Fed. Reg. 24121 (1998).

Comments filed through the ECFS can be sent as an electronic file via the Internet to <<http://www.fcc.gov/e-file/ecfs.html>>. Generally, only one copy of an electronic submission must be filed. If multiple docket or rulemaking numbers appear in the caption of this proceeding, however, commenters must transmit one electronic copy of the comments to each docket or rulemaking number referenced in the caption. In completing the transmittal screen, commenters should include their full name, U.S. Postal Service mailing address, and the applicable docket or rulemaking number. Parties may also submit an electronic comment by Internet e-mail. To get filing instructions for e-mail comments, commenters should send an e-mail to ecfs@fcc.gov, and should include the following words in the body of the message, "get form <your e-mail address>." A sample form and directions will be sent in reply.

Parties who choose to file by paper must file an original and four copies of each filing. If more than one docket or rulemaking number appear in the caption of this proceeding,

³ See 47 C.F.R. section 63.03(a).

commenters must submit two additional copies for each additional docket or rulemaking number. Filings can be sent by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail (although we continue to experience delays in receiving U.S. Postal Service mail). The Commission's contractor, Vistrionix, Inc., will receive hand-delivered or messenger-delivered paper filings for the Commission's Secretary at 236 Massachusetts Avenue, N.E., Suite 110, Washington, D.C. 20002. The filing hours at this location are 8:00 a.m. to 7:00 p.m. All hand deliveries must be held together with rubber bands or fasteners. Any envelopes must be disposed of before entering the building. Commercial overnight mail (other than U.S. Postal Service Express Mail and Priority Mail) must be sent to 9300 East Hampton Drive, Capitol Heights, MD 20743. U.S. Postal Service first-class mail, Express Mail, and Priority Mail should be addressed to 445 12th Street, SW, Washington, D.C. 20554. All filings must be addressed to the Commission's Secretary, Office of the Secretary, Federal Communications Commission.

In addition, one copy of each pleading must be sent to each of the following:
